The Bible is the most widely read book in the history of the world. But does anyone know who really wrote it? What are the facts behind the creation of this immortal manuscript? New scientific research and theological insight may provide new clues. What can the Dead Sea Scrolls tell us about the origins of the Bible? Discover how modern technology may finally unravel this age-old mystery.

Please RSVP by Wednesday morning – call or text to 714-606-4365. Leave your name and how many coming with you.

This film is an introductory part of our 2023 Bible Study Series, *And God Said What? Surveying the Entire Bible*. Please feel free to come even if you don't plan to be a 'regular' at the Bible Study!
